

SALVATORE MIGLIACCIO

SOFTWARE ENGINEER | CYBER SECURITY SPECIALIST

CONTACT

- +39 3347594960
- salvatore.migliaccio998@gmail.com
- Mugnano di Napoli

SKILLS

- Technical Skills
- Post-Quantum Cryptography
 - Software Engineering
 - Agentic AI
 - Cryptographic Bill of Materials (CBOM)
 - Python, C++, Java, SQL, LaTeX,
 - Software Engineering
 - Docker, Git, Kubernetes, AWS, Terraform

- Soft Skills
- Problem Solving
 - Adaptability
 - Teamwork & Collaboration

CERTIFICATION

- Python for AI & Data Engineer
- Cisco: Routing and Switching
- STMicroelectronics: NeaPolis Innovation Summer Campus

LANGUAGES

- Italian (Native)
- English (Fluent B2)

PROFILE

Master's Graduate in Computer Engineering with a specialization in Cyber Security. I combine a solid engineering background with a strong passion for researching and analyzing cutting-edge technologies, including Quantum Computing, Agentic AI, and Post-Quantum Cryptography (PQC). Known for a positive, warm, and highly collaborative attitude, I thrive in team environments and am always ready to support colleagues to achieve shared goals.

WORK EXPERIENCE

Namirial S.p.A. 2024 - PRESENT
R&D Engineer

- Develop and test high-fidelity prototypes for emerging technologies, focusing on cutting-edge security and cryptographic solutions.
- Conducted extensive benchmarking of Post-Quantum Cryptography (PQC) algorithms and successfully deployed a production-ready web application showcasing a PQC digital signature demonstrator.
- Write and compile technical deliverables for ongoing research projects and manage the technical documentation for competitive research grant proposals

AI Standardization Committee Member 2024 - PRESENT
CEN/CENELEC JTC 21 & ISO/IEC JTC 1/SC 42

- Contribute to the development and review of international standards for Artificial Intelligence, focusing on trustworthiness, governance, and technical requirements.
- Collaborate with international experts to align European and global AI regulations.

University of Naples Federico II 2022 - 2023
Academic Tutor

- Managed and mentored a large number of students for the core courses "Fondamenti di Informatica" (Fundamentals of Computer Science) and "Calcolatori Elettronici" (Computer Architecture).

EDUCATION

Master of Science in Computer Engineering (Cyber Security) 2021 - 2024
University of Naples Federico II
Final Grade: 108/110

Bachelor of Science in Computer Engineering 2018 - 2021
University of Naples Parthenope
Final Grade: 99/110
